

## Call and find out what dealers are saying is: “The Best Lead Program Ever Created.”

### With over 200 years of dealer experience on staff...

Every account manager that is responsible for assisting you in successfully implementing our vehicle leads program in your dealership has been, at one time or another, a successful sales manager at a store, or a dealer principle. We invite you to review our program either online at: [www.yourhotleads.com](http://www.yourhotleads.com), or by calling 800.944.0213. One of our several knowledgeable account managers can follow-up with you and answer any questions you may have, including how you too can become a successful member dealer.

### Exclusive Rights With Americas Top Creditors

It is our business as standard policy to supply our dealerships with the best possible chance to sell vehicles. Therefore, we want you to receive only the highest quality car leads available.
